## Why we do what we do:

We are here to connect students, whose culture constantly changes, with the biblical truth that never changes. We do this by equipping our leaders and students through evangelism, discipleship and leadership development.

*"And so, from the day we heard, we have not ceased to pray for you, asking that you may be filled with the knowledge of his will in all spiritual wisdom and understanding, so as to walk in a manner worthy of the Lord, fully pleasing to him: bearing fruit in every good work and increasing in the knowledge of God:"*

Colossians 1:9-10
