

HOST HOME INFORMATION GUIDE

We are so grateful for all who have hosted students for 180 Weekend. To help prepare for 2018, we've put together this information guide for you. Undoubtedly there will be questions that arise. PLEASE don't hesitate to ask. Your questions help us better prepare everyone.

Frequently Asked Questions:

Q: How many kids will you place in my home?

A: *We try and keep groups from 6-8 people including the leaders. If you can (and want to) house more, let us know!*

Q: Do I need to provide transportation for students to and from my house.

A: *Transportation is a huge need for us during 180 Weekend. If you can coordinate the transport of students to their locations, AWESOME! If not, we have vans that will be helping with that. It is not a requirement of hosting.*

Q: Does each student need a bed?

A: *Ha ha. Sorry but no. Students are coming prepared to crash on the floor, on couches, on recliners, etc. Beds are a luxury during 180 Weekend.*

Q: Am I required to lead the small group Bible Study during 180 Weekend?

A: *We would LOVE for you to lead the study. If this is your desire, let us know. If you are not comfortable to lead, we will place a couple AWESOME leaders with your group to lead it. Your decision but not a requirement to host*

Q: Am I responsible to feed these kids every meal Fri, Sat, Sun?

A: *No. We feed them Friday night dinner. You have breakfast for them Saturday. We've got lunch taken care of. You have the option to have dinner in your home with them Saturday. If that isn't possible, we are having a dinner at the Bethlehem Student center as well. Your choice. Breakfast Sunday is optional too. We have a pancake breakfast at the Student Center prepared as well!*

Q: Do I have to be at every event happening during 180?

A: *No way! You are invited to participate in everything but are not required to participate in anything. You are opening your home. You are a rockstar!*

Q: I have younger kids -or- I'm much older than a typical -or- I'm not sure if teenagers will connect with me...

A: *Although that is not a question, that often is a big hindrance to people hosting. We LOVE for kids to get to know church family of all generations. Kids are awesome. Older adults are awesome. We love you!*
